One of ResearchGate's goals is to create a place where you can easily add your research and connect with others about your work. To help you get the largest audience for your research, we've built a page where you can get personalized suggestions on how to improve the visibility of your research.

Here's how you can increase your visibility in just a few clicks:

1. On your profile, click on **Stats**
2. Scroll down to below the graph and click **View latest weekly report**
3. In the top right corner, click **Increase your impact**
4. Follow the suggestions to increase the impact of your research.

Start increasing your impact by going to [your stats page](#).
